January: Spirit Is Calling

(Back to Basics)

Value: Spiritual Living: As we learn and practice our philosophy, the Science of Mind, we live principle-centered, Spirit-led lives and turn to our principles for guidance in all moments and all areas of our lives.

*Dear Center for Spiritual Living
Inland Empire Community,*

My name is Rev. Jerry Hobby and I Am honored to serve as your Interim Minister. I am looking forward to getting to know you and building a relationship with you. I am also excited about the 2017 year and know that it is a year of growth and spiritual enrichment for us all. We have adopted the year long theme of **2017 Values Based Spiritual Living: "We stand together in a shared commitment and devotion to our spiritual principles, practices, and values."** This is the foundation of my ministry and the platform that I will operate from as I serve you. I have an open door policy and extend it to you. I look forward the practical application of this theme. I invite you to continue to engage in our community as we move forward in the year.

The starting point is anchor in Faith as we activate our principles, practices and values..

I offer this Prayer: *We turn within focusing on the Living Spirit that is present within all. The source of Love and Abundance... the power of Wholeness and Perfection. It is the "Presence of Good" in all of life. It is the spirit of "Creation"... THE "CONSCIOUSNESS OF GOD IN ALL...*

This Source and Power includes me... I Am the embodiment of Love... Abundance... Wholeness and Perfection. It is the "Good" that fulfills Itself within me. I Am an instrument of God.

Knowing this Truth I open my heart and allow this "CONSCIOUSNESS" to fulfill itself through me, my Spiritual Community as well as the greater Community. I affirm the presence of Peace and Wholeness. It radiates as perfect health in my body, emotions and affairs. I allow Love and Abundance to expand within me and all my interactions. It is the spirit of "Creation"... fulfilling itself in my experience in practice ways. This is the "FAITH" of the unseen substance sustaining Itself in my experience and all around me.

I Am in gratitude for the blessing of the Living Spirit fluffing itself as my life. I grateful for an open heart and this new awareness growing in me.

I release these words and thoughts into the "Sacred Yes", Universal Law allowing it to focus its perfect work. ...And so IT is. Amen.

Reverend Jerry
