IT DON'D ON ME

by Rev. Dr.Don Welsh

"May Flowers"

April showers (and we had plenty of showers this year) bring May flowers (and there's a nice array of flowers showing themselves on the hills throughout California.)

That reminds us to provide the beauty of flowers for the many celebrations in the month. Cinco de Mayo starts the month off by providing a diversity of colors as we celebrate our many ways of showing up in this melting pot of races.

Mother's Day gives us all an excuse to honor the women who brought us into the world, providing unique ways for us to grow and be all we're meant to be.

Finally, Memorial Day celebrates the many lives that were sacrificed to assure our freedom and opportunities to celebrate the ways we fit into humanity.

Indeed, there are vast opportunities to celebrate with May flowers.

In Light and Love,

Dr. Don
