## MONTHLY SPIRITUAL MIND TREATMENT

# June: You hold the Power & the Key to Step in to the mystery

**Value: The Power In Accountability We account for our activities, disclose them in a transparent manner and accept responsibility for our actions and the obligations entrusted to us.**

Dear Center for Spiritual Living  
Inland Empire Family,

We are progressing in our core values in as we practice Value Based Spiritual Living. What I have learned is that we find Peace as we walk in alignment with our core beliefs and live in Trust. It allows us to evaluate our outer world and discern that is True from within. Our thoughts and words fortify our beliefs and values. The Bible reminds us in Proverbs 16:24:

Gracious words are like a honeycomb, sweetness to the soul and health to the body.

I have also found that the application of the Sufi Gates of Right Speech are also helpful. They are:

**Are these words true?**

**Are they necessary?**

**Are they beneficial?**

**Are they kind?**

Ernest Holmes reminds us:

There is a power for good in the universe greater than you are and you can use it.

*I Offer This Prayer in the application of this Power*

I turn within focusing on the Presence... I Breathe...allowing this energy and power to reveal Itself... God is all there is. It is everywhere... Filling all space and all time...

It is in the wind and in the air... It is in all the elements of the earth and It is as deep as the ocean. I Breathe...

This "Presence " is alive within me... I Breathe... Like the wind, the earth, air and all elements I Am endowed in the consciousness of God. This energy... and this power fulfills itself within me... I Breathe...

This power goes before me and it prepares the way. It is the key to the mystery of life. It anchors me and supports me in discerning that which is true about life. I Am pure LOVE! It empowers me and it supports me. It clarifies itself in my choices and creates the space for perfection. The power of "Goodness" prevails in my life.

I am grateful for the wisdom and the perfection of the Divine within me. I am gratitude that the "Presence" prevails in all things, creating a space of "Goodness" as my experience and in all of life.

I release these these words into Universal Law. The sacred "Yes" Knowing all is in "Divine Order". All is well and I let this be. And so It is. Amen.

*Reverend Jerry*
