Vision Statement:

*We inspire and empower individuals
on their spiritual journey
and support our community through education,
outreach and unconditional love.*

Infuse your life with action

"Infuse your life with action. Don't wait for it to happen. Make it happen.

Make your own future. Make your own hope. Make your own love.

And whatever your beliefs, honor your Creator, not from passively waiting for grace to come down from upon high, but by doing what you can to make Grace happen. . .

yourself, right now, right down here on Earth." By: Bradley Whitford

Part of being of Service to the world is that we "treat and move our feet". As Religious Scientists, we know that the word Practice is almost part of the whole word: Practitioner. We have a gentle reminder to keep our Spiritual Practices strong making time for daily meditation, 5 step affirmative Science of Mind prayer treatments and whatever other ceremony or practice brings you to the center of your center-where God Is.

Let us pray: I know that there is One Power, One Presence, One Love-God, the Mother/Father, Infinite Intelligence Itself in through and as everything seen and unseen. I know this Power is here and now in this place and space-in me, in you-right where I Am, right where you are. From Unity I speak this word knowing that everything unfolds with ease and the Grace of God. I bless our beloved Sr. Minister, Rev. George E. Honn, III knowing with certainty that where he is, God is, that Rev. George is now one with the Absolute knower that knows. We surround him, the Honn family and his companion Annie with the absolute peace that passes human understanding and with the Grace that defies expectation or definition.

I bless each of us as towers of strength and well-springs of unconditional love knowing that our lives are perfect lives now. Perfect God. Perfect Man. We can honor our Minister by finding an organization and volunteering to be of Service to the greater San Bernardino Community now. I know that everything unfolds for each of us with perfection now. Anything that has previously blocked, hindered, denied or deferred our highest expression of Self slips away to nothingness and is replaced with the Truth that God is at hand right here and right now as our very Being ness. For this Truth and this word, my heart fills with gratitude-join me-enlarge that place in you that has never been nor could ever be hurt, harmed or in jeopardy in any way-see this place in you as larger, bolder and stronger than ever before. We rest here and know that It is done. And so It is. Amen. In loving memory for: Rev. George E. Honn, III
