Taking Care...

How do I take care of myself?

Last month's treatment asked the question-"How do I take care of the whole planet?" I start by taking care of myself. It is not selfish for me to take care of me for if I do not – who else will? who else really can? I start by taking good care of the body I wear. I feed it nutritious food and sustain and maintain it by daily exercise including both physical and mental with my Spiritual practice of Meditation, affirmation and 5 step affirmative prayer treatments. If I care for myself first-I am then able to give what I have given to myself to take care of the whole planet. When I remember to care of myself-I have so much more to offer the world. I am full of enthusiasm-knowing-energy and vitality of a positivity of the Truth that the world depends on and needs. . . .let us pray together.

There is a power and presence of good and life I call it God-I call it the knower that knows. I know that this power-powers me and it powers you. Right where I am God is. Right where you are God is. From this place of unity-I speak this word. I know that every organ, action, function, cell and fiber of my being radiates, glistens and glows with the health, intelligence and perfect wholeness that God is. God is my source. God is my health. Perfect God. Perfect Man. Anything that has heretofore blocked, hindered, denied, deferred or delayed my highest expression of health and wholeness slips away with ease and grace. Just as the shower water goes down the drain never again to surface nor re-appear. I know that in place of what I let go is the white light and radiant perfection of God's health and wholeness as my health, wholeness and perfection right now. There are no delays in God. There are no delays to my perfect health and wholeness from expressing right now. I expect it. I look for my healing and perfection now. For this knowing, for this Truth I affirm and say YES out loud to all of my good coming to me now for I am a child of the most-high God and my life is perfect, whole and complete. I am so grateful for this prayer of Truth. I breath in gratitude and allow for the space in me that has never been nor ever could be hurt, harmed or endangered in any way-to grow and magnify larger as a place of strength of the Divine as me now for the Divine to use as me now. I release my word to the law of life and know truly it is done. And so I say,
and So it is. Amen.

*Love in Light,
Reverend George*
