September Souls

"Love On" with Rev.. LaVonne

What is the soul? There are so many definitions and most concur that the soul is the breath of your being, your aliveness, your consciousness, your emotions and the like. I appreciate the quote by the playwright, George Bernard Shaw, "You use a glass mirror to see your face; you use works of art to see your soul."

When you are being creative you're tapping into your God-self. Whether it's a work of art, baking a cake or writing a poem, God is there. You may say: "Oh, I can't draw, cook or write." Doesn't matter. There's something you can do that's unlike anyone else. You're important to this planet or you wouldn't be here. Are you someone who smiles at strangers? Perhaps you hold the door open for others or let someone ahead of you in traffic.

Believe it or not, you make a difference. You have way more power than you know. Your soul can only be expressed through you.

Is there something you've always wanted to do but haven't given it a shot? Why not make this month the one that positively changes your life? How? First, get quiet, spend ten to twenty minutes meditating then allow your soul-self to speak to you. Then write down your thoughts and do just one thing to get the process moving.

Your soul wants to be experienced. You can make you September soul soar. And so it is.

Love you all,
Rev. LaVonne

"It Don'd on Me" by Dr. Don

In September, it's "Back to Classes." We value teaching the principles of the Science of Mind in September. From the beginning "Foundations Class" to training for becoming a Practitioner of this philosophy, there's a class right for everyone.

Teaching God is everywhere and all powerful to the five steps of Treatment, our classes are practical and positive. Give yourself the gift of the Science of Mind; it'll last your entire life.

Does the Bible make sense to you? Join Dr. Don as he gives interpretations and insights on Wednesday evenings beginning with New Thought Genesis. and moving through the entire Bible to the real meaning of "Revelation." Bring your favorite version of scripture or you can start with Dr. Don's writings.
