Higher Consciousness

It Don'd on Me!

By Rev. Don Welsh

We all have the spiritual power to raise the dead, but we do not believe we have. Our mind does not accept unqualifiedly accept this. Therefore that which we are, through disbelief, projects the form of hsrve-not rather than the form of HAVE, but even in taking the form of have-not, it demonstrates that it has what it believes.

In II Corinthians 1:9, the people "decided to die, not trusting in ourselves but in God who raises the dead.'

The master teacher knew that as he raised his consciousness to the level of God, he would be lifted to the realm of the living. That is what the fort day period called Lent is all about. It's a time for each of us to believe in the God-like nature within that we can sense our God selves so deeply. that we can believe in our own immortality.

Use this time to lift your consciousness higher than you ever have before. As you affirm your Divine Self, and know who you really are, you live more healthily, more prosperously and rely on the divine wisdom. Your own Christ nature goes before you, uplifts you from behind, reissues above you and lives within you right now.

In Light and Love,

Dr. Don
