“Prepare your mind to receive the best life has to offer.” Ernest Holmes

“In Tune With June”

Reverend LaVonne Rae Andrews & Dr. Don Welsh

“Love On” with Rev.. LaVonne

Music elicits a series of emotions. It may be a tune from your early childhood, a teenage memory from back in the day or a song that keeps repeating in your mind that awakens a feeling of calm. Sometimes a melody or a lyric will trigger deep emotions that want to be experienced. Since people react differently to various vibrations, there are myriad types and genres of music to appreciate. “I think music in itself is healing. It’s an explosive expression of humanity. It’s something we are all touched by. No matter what culture we’re from, everyone loves music.” (Billy Joel)

To me, the music of the heart is the best. When you are touched by love, whether it be romantic love, brotherly love, animal love, planet love or agape love, the heart sings. . . whether you can carry a tune or not.

Please allow yourself to listen to the notes of your personal song and know that you are truly a melody of love. And so it is.

“It Don’d on Me” by Dr. Don

Our monthly theme is “Bloom and Grow.” While that seems like a good affirmation to command our flower gardens to blossom, it’s also a great way to think of ourselves and our ability to be all we’re meant to be.

Our theme for June is “In Tune with June” and the topics all have something to do with being in tune. We started our ministry in the Inland Empire with “New Beginnings.” Then, we could see our new plantings begin to “Bloom and Grow.” Now our efforts reach a culmination in a musical theme, “In Tune with June” as we allow a climactic crescendo in harmony with life.

We invite you to harmonize with your new life. In June, we celebrate Father’s Day, graduations and life expressions supporting life like the lily pads that are strengthened by the individual pads giving power to the whole organism by optimizing each plant’s way of working together.

In Light and Love,
Dr. Don
