"Hot August Nights"

"Love On" with Rev.. LaVonne

Hot Summer Nights is our theme for the month of August. Having recently moved from a cooler climate in the Central Coast and having recently acquired an operating air conditioner in the Parsonage the topic perfectly fit our experiences.

The generosity of this Spiritual community is heart-warming. When we let the congregants and members know of the need to have the AC unit replaced the money needed became manifest.

There are other positive activities happening this month around the Center. Dr. Don has been busily laying bricks as a parking spot for the RV as well as other places in the yard to beautify and simplify water usage. The north wall is in the process of

becoming an artistic floral mural and the Clergy Association of San Bernardino is holding their meeting at our Center this month.

Our esteemed musician Rob Reynolds is in the process of gathering musicians and activities for "Entertainment ala carte," beginning on August 17th with delightful Bobcat Fraley from 7-9 p.m.

Please know that both Dr. Don and I and your honorable Board of Trustees welcome your ideas, thoughts and improvements for the Center. We are most grateful for the volunteers and the faithfulness of the attendees and members. We are so glad we chose the Inland Empire Center for Spiritual Living as our new home. You are a treasure.

"It Don'd on Me" by Dr. Don

Our theme for August is "Hot August Nights." The topics are "Where's Your Power?" "Notice or Manifesting," "Your Take Away," and "More Life, More Love."

It's true that our evenings could be hot. Sometimes it's easier to blame the weather on our problems. "Where's Your Power?" asks us to take responsibility for everything we've created in our lives. Frankly, I'm grateful to feel the warm weather, knowing that

there'll be plenty of time for coolness this fall and winter. As we appreciate the cool weather we'll manifest, it goes beyond simply noticing the weather.

Hopefully your "take away" each week will result in a greater expression of love as you let more life yield more love in your life.

In Light and Love,
Dr. Don
