Season of Gratitude and Giving

As we gather together during this time of year-we approach a sacred time on the calendar for Holiday Celebrations. For many of us this is a joyful time and for some, it can be a lonely and sad time. This Season of Gratitude and Giving provides all of us with an opportunity to be more sensitive, inspired and aware of our fellow man. We know that gratitude is prayer sufficient. We practice being grateful and thankful each day. We are mindful that some of us have less and some of us more. We can share. We can invite someone to celebrate with us as we are one spiritual family and one tribe. We can donate to food banks. We can give a toy to a gift drive. We can make a difference in the lives of others by our tithes, giving and positive energy.

Together we pray: I know there is one Power for Good everywhere present I call it God. I know this power powers me. I know this power powers you. Right where you are God Is. From this place of Unity, I know that absolutely EVERYTHING works together for your highest and best good now. I bless you, your family, friends and loved ones knowing God created each of us perfect, whole and complete. Our CSLIE community is blessed and a blessing and a beacon of light. We allow for our heart space to well up with great gratitude as the wellspring for love we so often mention. Our Center and each of us are a place of healing, love and radiant light energy drawing to us exactly what is needed: perfect health, wealth, abundance, cash flow, intelligence, growth, higher Vision.

We know all of our needs are met and permit anything that has consciously or unconsciously heretofore blocked, hindered or delayed our highest and best good from expressing to return to the void and nothingness from where it came and instead be replaced with the knowledge that God is at hand now as our Source, Supply and Sufficiency. Our hearts are open and full of great joy and gratitude-we beam this energy to the world to help it heal. It is done now so we walk with great expectation that it is already So. And So it is. Amen.
