# Vacationing

A man in a white shirt and a woman in a white dress are walking hand-in-hand on a sandy beach. The sun is setting in the background, creating a warm, golden glow over the ocean.

by Rev. Dr. Don Welsh

More people take their vacations during the month of August than any other month of the year

It's good to take time off. You get refreshed and renewed when you relax and get revived. Taking a break from our usual routine allows your body and your mind to let life renew themselves. It is good to take a break and you get spiritually uplifted.

Just as it is good to "be still and know" that time of quietness brings you a moment of inner peacefulness and stillness. Let the "peace that passeth understanding" usher in a feeling of joy. It is part of a healthy spiritual practice.

In Light and Love,

*Dr. Don*
