Spiritual Living as Diversity and Inclusivity

We value, embrace and celebrate the individual uniqueness and contribution of all people as they express through differences of gender, ethnicity, culture, history, experience, talents and sexual orientation. We include representatives from all our organizational constituencies in leadership, sacred service and decision-making.

Dear Center for Spiritual Living Inland Empire Family,

Last month we celebrated the power of "Faith" as we explored the foundation of our teachings. We have adopted the year long theme of 2017 Values Based Spiritual Living: "We stand together in a shared commitment and devotion to our spiritual principles, practices, and values." Our next step is exploring the depth and diverse ramifications of these teachings. You are invited to embrace our February theme Spiritual Living as Diversity and Inclusivity with an open heart.

Through this we are "Strengthened" and it leads credence to the Bible verse:

**I can do all things
through Christ
who strengthens me.**

Philippians 4:13

New King James Version (NKJV)

I offer this Prayer:

We breathe, and turn within... focused on the One.
The nature of "Creation"... the purity of its sound...

the texture... and it's feeling nature... LOVE and PEACE... It's "Beauty"... and "Life" expanding. This is pure Consciousness.

This "Consciousness" is alive within me and all that I come in contact with... The nature of the "ONE" includes me. I Am discovering that I add to the current old Life. I breathe...

Anchored in this awareness. I embrace my true nature of "Wholeness". This nature is LOVE and I allow it to shine through me. I pause and I breathe... it orders my steps... it inspires me... I Am lifted to the place of the most high... And only Good fills my life... Health and wealth reflects in and as my life. My relationships are grounded in love... And "PEACE" prevails in my life.

I Am grateful... A new pattern of living has initiated itself within me... I Am integrating in my understanding of myself and self love.

I release these words and thoughts into the "Sacred Yes", Universal Law allowing it to do its perfect work. ...And so IT is. Amen.

Reverend Jerry
