November: Financial Health and Prosperity

“Prosperity, Forgiveness & Gratitude”

Value: Financial Health and Prosperity: We express order and balance in our finances and experience optimal financial well-being. Through the richness of our teaching and its application, we value the principle of abundance and its expression as prosperity as a means to provide resources to empower our personal and collective vision.

Affirmation: I release anything and everything that no longer serves my unfolding good.

Dear Beloved Center for
Spiritual Living Inland Empire,

I greet you all with a hearty Thanksgiving embrace. This is one of my favorite times of the year. It is the times where I learn the most about the “Power and Presence of God as Good in my Life”. I might add in all of life regardless of appearance. It is also the time to remember that we are students that are empowered with the stewardship of rich blessings. That is why we are focusing on Prosperity, Forgiveness, and Gratitude this month.

This practice will support us in exercising healthy responses and practices in the areas of prosperity and finance. You are invited to join us for our Sunday Morning Live Experience and our After Chat Experience as we explore Principles and Practices in this area. I offer the following prayer on Prosperity, Forgiveness, and Gratitude. I invite you to read it daily and I will continue to keep you in prayer knowing only “Good”.

The Prayer

I pause... And I Breathe... I reflect on the One... One Life... One Power... The One Perfect Source... Peace... Wisdom... The Infinite... And I Breathe... It is Goodness... It is God... I Breathe...

I remember... that this Power is alive within me... The One... I Breathe the Presence... It fulfills itself as the over flowing power of Abundance and Prosperity. It fulfills itself in all ways within my life...

It is this sacred force that supports me today and in everything I encounter. It allows me to release things that no longer serve my Higher Good. It allows me to make Peace with all of life and see the perfection. Forgiveness is the nature of my life. It unblocks the channels through which the Prospering Power fulfills itself it moves into the areas I in my human experience I am unable to go. Practical experience transforms my life. Gratitude lifts me up and everyone interact I with. My Good unfolds with Ease and Grace.

I Am Grateful... Pure Radiance surrounds me and blesses me in expected and unexpected ways. I Breathe... I smile in Gratitude... I give high Thanks for this blessing.

I release this into Universal Law knowing that I Am a Blessing and Blessed. I allow it to do its perfect work and So It is. Amen.

Love, Peace and Blessings

Reverend Jerry
