# I am Free to Be Me

In nature I see,touch ,taste and feel God. When I look in the mirror I see an individualized part of God. As I look at you I see you as the same kind of individualized piece of God stuff that I am. I am unique and you are too. Spirit takes form as each of us and all of creation.

Because I am this Spirit in carnate form I allow Spirit to use me in every way possible. I align and atune with this One Spirit.Spirit in me, as me reveals the Truth about me.

I am free to be me and you are truer than true to be you. My me-ness does not get in the way of your you-ness. My authentic self treats you like I want to be treated as you want to be treated you treat others in the same fashion. Spiritually I live in a world that is free from discord and filled with pece and harmony.

I give thanks for all the good things in my life. I give thanks to a Spirit which is greater than I am and I can use it. This Spirit responds to me at my level of consciounesss.

I release this treatment knowing it is so And So It Is.

*Love in Light,  
Reverend George*
