MONTHLY SPIRITUAL MIND TREATMENT

July: Understanding The Freedom of Choice

Value: Open Communication and Understanding: We communicate openly with each other in an atmosphere of collaboration and inclusion.

Dear Center for Spiritual Living
Inland Empire Family,

I am so happy that we are applying the theme "Understanding The Freedom of Choice" this month. What a wonderful tribute to the founding of this country and honoring "freedom for all of humanity". It support us in understanding the value of "Open Communication" and moves us deeper into the meaning of life. I believe Trust and Unity are the keys that can open us to the many possibilities of Good that awaits us all.

When we learn stay open and collaborate with each other we find more Peace and Harmony individually and collectively. This requires consistent spiritual practice and commitment that eventually liberates us all and empower us in our choices. I have found that when I pray, meditate or Vision around Understanding Freedom that I experience quantum leaps and my outlook in health, wealth, and relationships shifts for Good.

This month I invite you to join me in embracing a prayer that Ernest Holmes wrote for this country. Please consider reading it daily during the month and embrace its essence for yourself and the world.

My Prayer for My Country by Ernest Holmes
(Taken from Ernest Holmes' radio program THIS THING CALLED LIFE on August 6, 1950)

Believing in the Divine destiny of the United States of America and in the preservation of liberty, security, and self-expression, I offer this, my prayer for my country:

I know that Divine Intelligence governs the destiny of the United States of America, directing the thought and the activity of all who guide its affairs.

I know that success, prosperity, and happiness are the gifts of freedom, and are the Divine heritage of everyone in this country. I know that success, prosperity, and happiness are now operating in the affairs of every individual in this country.

I know that Divine guidance enlightens the collective mind of the people of this country, causing it to know that economic security may come to all without the loss of either personal freedom or individual self-expression.

I know that no one can believe or be led to believe that freedom must be surrendered in order to insure economic security for all.

The All-Knowing Mind of God contains the answer to every problem which confronts this country. I know that every leader in this country is now directed to this All-Knowing Mind and has the knowledge of a complete solution to every problem, and each is compelled to act upon this knowledge to the end that abundance, security, and peace shall come to all.

And I know that this spiritual democracy shall endure, guaranteeing to everyone in this country personal liberty, happiness, and self-expression. And so it is. Amen.

Reverend Jerry
