If we forgot your Birthday please excuse us. If we don't have your Birthday let us know.

I See One World United in Love

Love is God and God is Love. We are One with this One World.

I see a World that works for everyone. We recognize in of and through all people, animals, plants and minerals. It is all God and it is all Good.

I realize the truth about myself. I live in a perfect world. I live in a world that works for everyone. I see one world united in love. Love is the answer. When I love myself it is easier to love others. Love extends beyond all borders and transcends all religion. As there is one world there is only one love and One God.

I give thanks for this One World I live in. I give thanks to a God that encompasses everything and everyone. I appreciate what I have and what I claim as mine.

Nothing can stand in the way of my perfect demonstration, not even me. I have named it and I claim it it is mine. I release this treatment knowing it is perfect and so am I.

And So It Is

*Love in Light,
Reverend George*
