“Summertime and the Livin is...”

“Love On” with Rev.. LaVonne

Inspiration comes from all sources. When we develop our Sunday talks, topics and themes, ideas come from many places. It may be an overheard comment, a song, a billboard or a suggestion. In truth, it all comes from God. Isn't that great?

What if you were to use God as your default button, your go-to guy, so to speak? How would that work? Hmm. So, say you're in the middle of dilemma and don't know where to turn next. Place God in the middle, trust the process, release your attachment to the outcome and let Spirit guide you.

“It Don'd on Me” by Dr. Don

Our theme for July is “Summertime, and the Livin' is...” Reverend LaVonne came up with our titles this month. They are all meant to inspire by living a life filled with love and gratitude. I believe you are meant to be blessed with joy and happiness.

It may be difficult to accept that life can be unencumbered. Yet, to think of how hard life could be, smacks the Science of Mind teaching in its face.

As we come together in oneness with our July 1st topic “Let Us Unite,” we acknowledge that living in unity is much better than experiencing separation.

You might say “You're welcome” when you “Give Something Away.” Then you can “Rest, Relax and Recuperate,” when you admit that life is meant to

The middle of the word inspiration is a clue in how to proceed. The syllable “spire” leads you to remember that Spirit is the operative energy in the center of everything. Back in the day the spires on churches pointed the way to the Heavenly Father. I know that God is everywhere and you get to be the conduit for the highest vibration of Spirit.

Your inner self is your God-self and needs to be expressed. You are the perfect vehicle for God's inspiration. And so it is.

be joyful and you learn that, “Just in Time.” Those are the following four weeks topics.

So, by the end of the month you can choose your own word to complete the sentence: “Summertime, and the livin' is _____.”

In Light and Love,
Dr. Don
