The Season of Light

"It Don'd on Me" by Dr. Don

"Good Tidings"

**"Behold, I bring you
good tidings of great joy..."**

Luke 2:10

Tidings means news or information. The news that is so good is that Christ is born in you! This is more of a Truth than an event.

We can celebrate the birth of the Christ Presence anytime, but we set aside December 25th to honor this birth. This date was apparently selected to coincide with folk traditions that celebrated the winter solstice when the days began to lengthen and there was a birth of greater light.

Christos is the Greek word for Messiah, taken from the Hebrew word meaning "the anointed one." Anointing was a way of honoring kings, lords and priests and oil was used in the anointing ceremony to symbolize the light, which shines when the oil burns.

Jesus embodied the Light so fully that his followers saw his Divinity. The Light represents the power, peace and perfection that God is. The Light is love, life and liberty.

It is harmony, health and wholeness; intelligence, intuition and ideas; wisdom, wealth and all that is wonderful.

He said "You are the Light of the world" as well. So why not let your daily affirmation be "the Christ (or Light) is born in me." Remembering to use this affirmation wherever you are and whenever you think of them, such as in heavy traffic, in busy stores or in dealing with grumpy relatives can literally "Lighten" your load! As we affirm who we really are, we bring ourselves and those around us "the good tidings of great joy."

I know you are blessed with an uplifting, meaningful, love-filled Christmas season.

In Light and Love

**So, we could substitute
the word "Light" for "Christ."**
