# *Freedom for All*

Dr Ernest Holmes wrote

**"Bondage is not God Ordained."**

Spirit is everywhere present, all knowing and all powerful. This means Spirit lives and breathes and has its being in us, around us and through us. The Converse is also True We (each one of us) lives and breathes and has our being in Spirit. This is the only way it can be, there is no other way possible. People all over the planet want to be free. people here in the United States of America want to be free, without realizing that they are free.

We are an open and inclusive group. Our doors are open for all who care to enter. We believe in the sunlight of the Spirit and we see it shining on all people everywhere. We revel in this Sunlight knowing we are happy, joyous and free. We know that this Sunlight of the Spirit shines on all people everywhere.

We are grateful for all the good in our lives and we openly accept all the good that is ours knowing it takes away from no one. We are grateful for a Spirit that continues to give. We live, love and have our life in Spirit. And we release this Treatment by saying And So It Is.

*Love in Light,  
Reverend George*
