BIRTHDAYS

Bob Lange.....	March 25
Patti Walton.....	March 28

If we forgot your Birthday please excuse us. If we don't have your Birthday let us know.

I am One with the One

There is one power in the Universe. I recognize that power and call it God.

I align and attune with this power that I call God. As God has many names I chose to use Mind as I know

the power of my mind I know the Power of The Mind. This Power of Mind works in me, as me and through me in everything I think, do and say.

I realize the Truth about me is Self Evident. I use the Power of the One Mind for good in my life. I recognize the power of my mind to focus on good and good outcomes. I attract to me all that is mine to conceive.

I give great thanks to the Mind
and I release this treatment by saying And So It Is.

*Love in Light,
Reverend George*
